COLLECTION OVERVIEW

INNOVATING
PERFECTION

We strongly believe that innovation is the leading way for constantly evolve the idea of perfection. That's why we are always at the forefront in adopting latest generation technologies and promoting continuous R&D activities to create surfaces that embody the highest levels of aesthetic refinement and technical performance. Faithful to the mission to improve people's quality of life by focusing on the perfect balance between beauty and functionality.

OUR PILLARS

The visual identity expands and completes with a highly flexible and modular design system that draws on further iconographic elements linked to the historical and cultural uniqueness of the city of Padua to express the main values of the brand.

COLLECTION OVERVIEW

Galaxy - Inspired by stone

There is no denying the grandeur of stone. Be inspired by our collection of stone designs, exclusively created to bring elegance and beauty to your home.

GALAXY

With a uniform and homogeneous appearance, with a fine texture and a slight variation in shade. This type of product offers great versatility and lends itself to multiple combinations, depending on the style you want to achieve

Wood: The combination with wood, both light and dark, creates a warm and welcoming contrast. Perfect for Nordic or industrial chic style environments.

Metal: Metal elements, such as steel, iron or copper, accentuate the modern and industrial character of the product. Ideal for lofts or open plan spaces.

Natural stone: The combination with natural stone, such as marble, granite or slate, adds a touch of elegance and refinement.
